**Rev. Carol Bookwalter**

This month's newsletter is coming to you on Good Friday. A day we remember and reflect on the suffering and death on the cross of Jesus Christ. Many will fast, pray, repent, and meditate on the agony and suffering of Christ. Many will go about the day with little thought about the meaning of this day or the coming Easter morning.

But it's Easter morning that changes everything for us. It's in Christ's resurrection that we have a new life. One in which "whoever believes in him shall not perish but have eternal life." But how many of us go about our lives thinking nothing about our future? We go about our lives as if we are stuck in the Louis Armstrong song *We Have All the Time in the World*.

*We have all the time in the world  
Time enough for life to unfold  
All the precious things love has in store  
We have all the time in the world*

But do you know how many weeks are in an average human lifespan?

4,000 weeks.

That's it. Maybe a few more or a lot less. That's all the time most of us (if we're lucky) have in this world. Time enough for life. A life that unfolds all the precious things an earthly life can provide. One in which we can build up treasures in heaven. For the love He has in store for us. Just a thought as Easter Sunday approaches.

Pastor Tom

## **2nd Mile Giving Opportunity and Update**

### **HVAC Replacement**

This past January we announced a 2<sup>nd</sup> mile giving opportunity for our community. Our HVAC system, to large extent, is 34 years old. One unit was replaced in 2020 which feeds our Worship/Fellowship Center. We have raised the funds to replace the two remaining units that support our Worship/Fellowship Center and Atrium. They are on order pending their install in the near future. We sing praises for the blessings so many of us have shared in giving beyond our normal tithe to provide for the new units.

But we are not finished. Our Education Wing has two units in need of replacement; the smaller has undergone repairs in the past and has a newer condensing unit which can be seen just outside the community room window. The larger 15-ton unit is all original and we have been blessed that it is still working. Check out its condensing unit, we all need to be singing praises. We continue to budget \$700 a month towards the replacement of these units. The \$700 represents a monthly payment if we had to finance their replacement. Pray about giving a second mile gift towards the replacement of these last two units. This past year several members committed to give one month's payment over a period of time. Others gave partial payments. These are just a few of the ways 2<sup>nd</sup> mile gifts were made. We will keep you updated in May with a giving thermometer so everyone can see our progress towards raising the additional \$26,206.00 needed.

## ***Ministry Opportunities as we grow our in-service worship...***

We've all grown comfortable being away from our community of faith. It's easier to watch online, with a cup of coffee or in your PJ's. Whether you watch on Sunday or during the week, we want to invite you back to in-service worship. We know getting back into the routine of going to church on Sunday will take time. No matter what; whether online, or your periodic attendance, you are part of our community. We miss you. Our online ministry will always be there for you. As you contemplate returning to in-worship service we invite you to be in prayer about becoming involved in your community once again.

### ***Greeters, Liturgists, Video Booth, and Sound Booth***

#### **Greeters**

Our Greeters welcome you, whether a first-time attendee or a founding member of our community, they are the most important people in our community. A Greeter not only welcomes, but is there to assist and answer questions. We need those with the gifts of hospitality to step forward to welcome us and remain in the Atrium during service. There they will watch the service live on the large TV in the Atrium and monitor the radio (which is live). In the near future we will be proving a tablet to monitor the Facebook feed. By doing this we will insure our services are online and in the parking lot for those who attend. In the near future, they will share the Lord's Supper with those who are listening on their radios in the parking lot. Pray about serving once again as you return to in-service worship.

#### **Liturgists**

Would you like to read the scripture, lead your community in prayer, etc.? Everyone is welcome to participate in worship. We provide the scripture in advance and in the near future will be inviting lay members to assist in other ways in service. Tell a Greeter that you are interested and they will forward your name to the Worship Committee to coordinate with you.

#### **Video Booth and Audio Booth Operators/Helpers**

We have been on a journey of technology. Two years ago, we would never have imagined we would need the cameras, sound, lights, and TV's we now have. We need helpers to check the microphones before each service and assist those in the sound booth and video booths where needed.

A degree in technology is not required!

LET ME BE EMPLOYED FOR THEE OR LAID ASIDE FOR THEE.  
LET ME HAVE ALL THINGS, LET ME HAVE NOTHING.  
I FREELY AND HEARTILY YIELD ALL THINGS  
TO THY PLEASURE AND DISPOSAL.  
AND NOW, O GLORIOUS AND BLESSED GOD,  
FATHER, SON, AND HOLY SPIRIT,  
THOU ART MINE AND I AM THINE.
